

Onleihe Hilfeseite

The Onleihe

You can borrow digital media such as eBooks, ePaper, or eAudios from your library via an Onleihe.

To be able to use this offer, you need a membership card of [a library offering an Onleihe](#).

You can use the Onleihe via:

[Web-Onleihe](#)

[Onleihe-App](#)

[eReader-Onleihe](#)

Using the Onleihe is that easy

The Onleihe works similar to your local library: A title can only be borrowed by one user at a time.

If your library has several copies of a title, it can simultaneously be borrowed by different users, as long as there are copies left. You can also reserve an already borrowed title.

What works on which device?
