

Download of several titles, one after the other in the eReader Onleihe

How do I download multiple titles on my Tolino, one after the other, without having to go back to the starting page and login anew each time?

- Your ebook opens on your Tolino after the successful download of the title.
- Press in the center of the Tolino display while you see the title cover. There will be a menu strip at the top and bottom of the display now.
- Press on the "back" arrow in the top left corner of the display.
- You will be directed back to your browser and see an empty page. On the top menu strip there will be two arrows displayed now. Press on the right arrow.
- You are now back in the eReader Onleihe. Switch to your account and start the next download.
